Date: 

To,

Sir/Madam,

It is a matter of great honour to invite you on behalf of Poornavad Yuva Forum & Poornawad Institute of Life Engineering, Gujarat, for the National Youth Convention Inaugural Function followed with the felicitation of Shri. Padmabhushan Prof. Jyestharaj B. Joshi, for his outstanding contribution in the field of Chemical Engineering & Technology.

It is only with generous support of Like Minded people that we are able to progress & its the 3rd Successful Year of Poornawad Institute of Life Engineering, Gujarat hosting these Award function in association with Poornawad yuva forum. Our activities aim at disseminating the idea of life centric Philosophy propounded by late Dr.Parnerkar paving the way to making our society a better place. We look forward for your valuable presence at the award function.

Date:- 11th November 2017
Time:- 10.00 AM onwards National youth Convention Inaugural Function
Time: -7.00pm onwards, Dr.R.P.Parnerkar Award Ceremony
Venue:- Mahatma Mandir, Gandhinagar, Ahmedabad

Thanking you!
Poornawad Yuva Forum is a youth organization founded with the blessings of Most Revd. Dr. V.R. Parnerkar in the year 1992. This organization has its branches all over India viz. Madhya Pradesh, Andhra Pradesh, Maharashtra, Goa, Karnataka, Uttar Pradesh, Gujarat etc. We are also conducting some activities in US, Australia, Mauritius, and Singapore. This has added to our overseas presence.

Under the dynamic leadership of our founder president Mr. Laxmikant Parnerkar, we are working in various fields keeping youth at its focus. The main object of this organization is to empower the youth physically and intellectually for a better tomorrow. We undertake various programme like Youth Conventions, Life Management Program, Health awareness programmes, blood donation and tree plantation. One of the salient feature of this organization is that we lay emphasis on the study of ‘Constitution of India’ too. We also organize symposium on burning issue.

We are taking a step forward to create a fine balance between India and Bharat. The Youths must always remember the rich culture and tradition along with the growing technological advancement. For the last three decades, we have worked in various parts of India. This year we are proud to have our “National Youth Convention in Gandhinagar, Ahmadabad on November 11 to 13th 2017.

Youths from all parts of India gather in large numbers, we at Poornavad Yuva Forum extend you an invitation for this programme.

Poornawad Yuva Forum Mission statement

To create a new World order by involving, motivating and training the Youths of India as well other Nations, equip them to coup up with the stress and challenges posed by the times and live a meaningful life at personal level, play a dynamic roll in the society and in nation building and create goodwill and friendship in the community of nations.
The mission statement Factors are imbibed through these process of

- **INVOLWING**

- Flexibility, Eagerness, Anxiety

- **MOTIVATING**

- Self Motivation, Determination, optimistic View

- **TRAINING**

- Obdience, Displine, Politeness, Willingness, Urge for Progress

- Youths contribute to develop as an Individual, then to his/her Family and respectively to Society & Nation Building

Poornawad Institute of Life Engineering at Glance

Poornawad Institute Of Life Engineering (PILE) is a noble and sincere initiative by Dr. V. R. Parnerkar to create a new world order of people who think beyond material aspect & willing to exert for upliftment of society materially socially, economically hence spiritually and make these planet a better place to leave.

Endeavour of PILE is to honor person’s contribution, who makes a significant contribution in the field of engineering and technology in our country. The award comprises of cash reward, Unique Trophy & Citation.

Poornawad Institute of Life Engineering, Gujarat is conducting its Third annual award function in Ahmedabad on 11th November 2017. This year the institute is conferring Dr. R. P. Parnerkar Poornawad Award for Excellence in Engineering and Technology award on Shri. Padmabhushan Prof. Jyestharaj B. Joshi.

Objectives:

1. To create platform to interact with wider section of society regarding development and excellence in Engineering & Technology.
2. To share, enrich & nurture higher values of human life Engineering at individual as well as collective level.
3. To appreciate, honor & felicitate the special efforts made by individual or an organization to achieve excellence or have done new development in any field of Engineering, in the form of Annual Award Named "Dr. R. P. Parnerkar Poornawad Award for Excellence in Engineering & Technology."
Dr. R. P. Parnerkar Poornawad Award for Excellence in Engineering and Technology 2017

About the Awardee

Jyeshtharaj Bhalchandra Joshi is an Indian chemical engineer, nuclear scientist, consultant and teacher, widely known for his innovations in nuclear reactor designs and generally regarded as a respected teacher.

**Born:** 28 May 1949 (age 68), Masur, India

**Awards:** Padma Bhushan

Some of his notable scientific works are:

- Development of inhouse codes for computational fluid dynamics (CFD) for multiphase dispersions and complex geometries.
- Performed the first Laser-Doppler anemometer (LDA) measurements in multiphase dispersions.
- Development of an algorithm for the prediction of fractional gas hold-up and bubble size distribution.
- Deployment of the PIV technique to shadography for measuring motion of dispersed phases (bubbles, drops and particles).
- Development of a methodology for estimating detailed knowledge of the entire range of length, velocity and energy scales of turbulent structures in large number of Chemical Process Equipment.
On the eve of the National Youth Convention (PYF) & 3rd Year of Dr. R. P. Parnerkar Poornawad Award for Excellence in Engineering and Technology we plan to Publish a souvenir & request you to give Your Valuable support through your advertisement.

*Please note that all contributions are to be made vide Cheque/Draft drawn in favour of Jeevan Kala Mandal.

Thanking You
